RE: Information about Cottey

Greetings to all,

It is a privilege for me to serve as the NM Cottey Chair this year. As a Cottey alum, and therefore an enthusiastic supporter, I am excited about the potential for recruiting students to our college. Because we are influential in our communities, we have an opportunity to provide valuable information to high school counselors, potential Cottey students, and their parents about the outstanding education provided at Cottey.

I am attaching information from the Cottey Office of P.E.O. Relations that I received this week. I hope you will take time to read it and surf the Cottey website (cottey.edu) as well at the P.E.O. International website (peointernational.org). If you have questions, please contact me at millerb842@gmail.com or 505-870-7334 (cell). I look forward to working with you!

I have included the names, birthdates, and suite information for our three NM students attending Cottey. They are listed at the end of the Enrollment File. Notice that Dominica is a commuter student so items sent to her should be sent to the Student Life Office. The New Mexico Suite is undergoing renovation (which looks great) and has five students this semester. Information about how to send "goodies" to our students and the NM Suite is included with the attached.

Students will be leaving campus for the semester at Thanksgiving break, will complete the semester at home via online, and will return for the spring 2021 semester beginning mid-January, so please be sure to send your final "goodies" by early November. Thank you!
