Dear Rebecca,

I am pleased to share a couple of photos from the newly refurbished New Mexico Suite at Cottey College. In addition to the new carpet and furniture shown, work included new flooring in bedrooms along with a lighted ceiling fan; lighted ceiling fans in the common living space; new counters, sink and faucet in kitchens; and new window blinds. Other work in the suites occur on a rotating basis, including updating of bedroom furniture and mattresses and updating of bathroom features.

The Housing Department held an unveiling event for the suite residents. The door was decorated as a gift and when the students entered, they were able to enjoy the new look and feel of their suite. Let's just say, they were very excited!

Thank you very much to the state of New Mexico for supporting Cottey's New Mexico Suite and our Cottey students and programs. I encourage you to share this information with our New Mexico sisters.

Sincerely,

Jann Weitzel
